REMARKS

25X1X

Source learned that Zwoelfaxing (P 49/X 48) airfield was to be evacuated after mid-March 1953. Prior to 23 March, three rail shipments had allegedly left the field.

25X1A

Comment. The information is forwarded, because the movement of the unit previously stationed at Zwoelfaxing airfield appears probable within the framework of transpore at present under way in the area of the Fifty-Ninth Air Army.
